### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian Siritzky (Reg. No. 37,497) each on 19 September 2005 and 20 October 2005.

The application has been amended as follows:

Claims 13, 15 and 16 each have been amended as follows:

Claim 13 (Currently amended). The holder as in claim ~~11~~ 1 wherein said second strap includes a second attachment member spaced from said releasable closure.

Claim 15 (currently amended). A holder for multiple items comprising:  
a first elongated strap with two ends and including a first attachment mechanism at one end,  
a connector attached to the other end of said first elongated strap, ~~and~~  
a plurality of secondary elongated straps, each for removably holding an independent item, each of said secondary straps having two ends one of which is secured to said connector with the other end being connected to a separate holder, and  
a second strap and a releasable closure connected therebetween, wherein said second strap includes a second attachment member spaced from said releasable closure.

Claim 16 (currently amended). A holder for multiple items comprising:  
a first elongated strap with two ends and including a first attachment mechanism at one end,  
a connector attached to the other end of said first elongated strap, ~~and~~  
a plurality of second elongated straps, each for removably holding an independent item, each of said secondary straps having two ends one of which is secured to said connector with the other end being connected to a separate holder, and

a second strap and a releasable closure connected therebetween, wherein said second strap is comprised of a molded material.

#### EXAMINER'S COMMENT

Claims 1-6, 9-10 and 12-16 are allowed over the prior art of record.

Applicant's reply filed 13 September 2005 has overcome the each claim objection and rejection indicated in the prior Office action.

Applicant's amendment to claims 1 incorporates wholly the allowable subject matter indicated in the prior Office. New claims 15 and 16 are rewritten claims 13 and 14, respectively, which have been indicated as allowable indicated in the prior Office action.
